Terms and Conditions

This offer is subject to certain terms and conditions as set forth below and which may change without notice. By completing this Victory Capital Asset Transfer Bonus Form, you agree that you are responsible for determining whether to open one or more 529 Plan accounts (the "Accounts" and each an "Account") and transfer assets from another source into your Account(s), and for all investment decisions in your Account(s). All references to "you" refer to the Owner, as applicable. Your Asset Transfer Bonus will be invested in the Account designated in Section 3 above. You may contact a Victory Capital Service Representative at 800-235-8396 to provide instructions as to your investment choice(s) or to change your investment instructions at any time. You will receive the Victory Capital Asset Transfer Bonus payment as an investment in the Account you designated in Section 3 of the Asset Transfer Bonus Form (the "Designated Account") within approximately 90 days after the first transfer into your Account(s). Victory Capital Asset Transfer Bonus Payment

To receive your Victory Capital Asset Transfer Bonus payment, your Asset Transfer Bonus Form must be received in good order within 60 days of the first transfer into your Account(s). You will receive the Victory Capital Asset Transfer Bonus payment within approximately 90 days after the first transfer into your Account(s). Victory Capital reserves the right to make additional bonus payments at its discretion for assets received in excess of \$1,000,000. Removing any assets during the promotion period (i.e., the 60 days after the first transfer into your Account(s)) may result in a lower Asset Transfer Bonus or loss of the Asset Transfer Bonus. Restrictions Apply

New funds must be rolled over or transferred from another 529 plan or a Coverdell education savings account outside of Victory Capital into a Victory Capital 529 Education Savings Plan (the "529 Plan") account. An Owner can receive the Asset Transfer Bonus only once.

Multiple accounts with the same tax ID number and Owner do not qualify for multiple Asset Transfer Bonus payments. This offer is available subject to the account eligibility requirements set forth in the plan description and participation agreement for the 529 Plan and is not transferable. This offer is not valid for (a) existing 529 Plan accounts that are being re-registered by a beneficiary or (b) other similar re-registrations. Only investors who make their first rollover or transfer into their 529 Plan Account(s) on or after April 24, 2023, through April 30, 2026, are eligible for this Asset Transfer Bonus program. These dates are subject to change without prior notice to you. Victory Capital reserves the right to reject an Asset Transfer Bonus Form if it believes that an investor is gaming the system. Any Asset Transfer Bonus payment made to your Account may be forfeited or reduced at Victory Capital's sole discretion if you close, transfer, terminate or otherwise withdraw your funds, in whole, or in substantial part, within 365 days of Victory Capital's receipt of such funds in good order. The decision to purchase to, from, or among accounts (including the available investment options offered by Victory Capital) may result in adverse tax consequences including capital gains and/or losses and may impact the tax basis of your investments. The tax basis for your investment may differ from the tax basis for your Asset Transfer Bonus payment. Before enrolling, consult with your tax advisor about the appropriate tax treatment for this offer and any tax implications and limitations associated with (i) rolling over or transferring assets from a 529 plan or Coverdell education savings account to a 529 Plan account and (ii) receiving the Asset Transfer Bonus payment. Any related taxes are your responsibility. Victory Capital may decline requests to enroll in this offer at its discretion.

Carefully consider all your available options, which may include but are not limited to keeping your assets in your current account(s). Prior to making a decision, be sure to understand the benefits and limitations of your available options and consider factors such as differences in investment-related expenses, account fees, available investment options, distribution options, legal and creditor protections, tax treatment and limitations, and other concerns specific to your individual circumstances.

The Victory Capital Asset Transfer Bonus program and the Asset Transfer Bonus payment should not be determinative factors in your decision to transfer assets from another account into a 529 Plan account.
