2024 Ordinary Income and Capital Gain Distributions**

Throughout the course of the year, mutual funds realize gains and losses from selling securities held in their portfolios. Tax laws require that all mutual funds, regardless of performance, distribute these net gains to their shareholders before the end of the year. Net gains may be realized and distributed even if a fund's share price has declined. To receive the distribution, you must have been a registered shareholder of a fund on the record date. Distributions were paid on pay date. We strongly urge shareholders to consult with their tax advisers regarding the tax consequences of these distributions. Only the funds that distributed capital gains are included below.
